

## INFORMATION TO CONTRIBUTORS

1. The **Indian Journal of Sericulture** is published half yearly by the Central Silk Board for the publication of original research findings, reviews and short communications relating to all aspects of sericulture and silk technology.
2. It is essential for all the authors to become subscribers of Indian Journal of Sericulture.
3. Articles published or accepted for publication will be the property of the journal.
4. A paper after receipt goes through preliminary scrutiny following which it is sent to the referees. Depending upon the referees' comments, papers are either accepted as such or after modification. Unsuitable papers are rejected.
5. **Manuscripts:** Manuscripts typed in double space along with illustrations must be submitted. Clarity, brevity and preciseness are essential. The editors reserve the right to have the manuscript's language edited. Manuscripts should be presented as per the following:

**Title page:** The first page of the manuscript should include title, names(s) of author(s), affiliation, and mailing address including email of the corresponding author.

**Abstract:** A brief informative abstract should follow on the second page of the manuscript and it should clearly bring out the scope of the work and its salient features, in single paragraph but not more than 150 words.

**Key words:** The abstract should be followed by five important words of the article, which can be included in various indexes.

**Introduction:** It should be brief, crisp and introduce the work in clear terms. Key references related to the work must be cited.

**Materials and Methods:** Standard and already reported method must be clearly given or cited. Any modification of the original method must be duly highlighted. The section may be

subtitled for clarity. Use standard abbreviations of the various units. ISI units should be used for measurements.

**Results and Discussion:** This section can also be sub-titled for clarity. Salient results must be highlighted and discussed with related works. A brief conclusion of the research finding and future line of work may be given at the end.

**Figures & Diagrams:** This should be given in JPEG, JPG or TIFF format. The figures should be numbered as Fig. 1, Fig. 2, etc.

**Charts & Graphs:** The original excel files containing data of graphs or charts are mandatory for considering the manuscript for further process.

**Tables:** Tables should be numbered consecutively within the text, which should bear a descriptive short heading. The tables should be numbered as Table 1: abcde, Table 2: abcde, etc.

**References:** Relevant reference should be quoted under each section and must be cited in full in the reference section. The following style should be adopted. Avoid using "Anonymous" in the references.

6. Manuscripts for publication should be addressed to the Executive Editor, Indian Journal of Sericulture, Central Sericultural Research and Training Institute, Manandavadi Road, Srirampura, Mysuru-570 008, India or via email to [ijscsrti@gmail.com](mailto:ijscsrti@gmail.com). Give email address and mobile number for fast communication.
7. **Printing:** Galley proofs are sent to the author for corrections via email and should return within three days from the date of receipt. Minimum changes should be incorporated in the proof. Any substantial changes other than the printer's errors will be charged to the author.
8. Papers are published on the technical advice of the referees. Editorial Board/Publisher assumes no responsibility for statements and opinions advanced by the contributors.
